

Monthly booking form

Due to reaching the maximum number of children at some of our club's parents /carers are required to tick the sessions required. This is so we can make sure your child is allocated their regular place and booked in on the register.

Unfortunately, there is no guarantee of a place if you require extra days. Sorry days cannot be swapped within the month. Once payment is made, we are unable to give a refund.

Booking forms and payments must be received before the 1st December to receive the discounted rate.

By returning this form to us you are agreeing these are the sessions you require.

December 2024
